## Names of Those Brought to Windham for Interment.

Feb. 6, 1913, John Bartley, Aged 82 years, 3 months and 28 days.

JOHN E. COCHRANE, Town Clerk. I hereby certify that the above returns are correct, according to the best of my knowledge and ! elicf.

### SCHOOL REPORT.

It has been the endeavor of the School Board to secure teachers of experience and ability and we believe that those employed have discharged their duties faithfully and that those under their care have made good advancement in their studies.

Home encouragement is a great help to a pupil's success and to allow a child to stay out of school needlessly, is an injury to the child, also a hindrance to the teacher in accomplishing the best results.

The money was sufficient to provide thirty-six weeks of school, the same as last year; and the schools are now in session. Many parents believe that the present length of the school year is al! that is expedient. In addition to the town school Nos. 2, 4 and 6 have special funds which extend the length of work in those districts.
